ABOUT MAGNA BUSINESS GROUP

Magna Business Group is a trusted name in the steel supply ecosystem, delivering a wide range of specialty, industrial, structural and stainless steel products to industries across India.

With strong partnerships with leading steel mills, robust inventory, technical expertise and a customer-first approach, we provide reliable steel solutions that meet the most demanding applications.

OUR VISION

To be India's most preferred steel supply partner, known for quality, reliability and long-term relationships.

OUR MISSION

To deliver value-driven steel solutions through quality products, timely supply and unwavering commitment to our customers.

ONE STEEL PARTNER. PAN-INDIA REACH.

OUR CORE VALUES

INTEGRITY

We believe in honest relationships and ethical business practices.

QUALITY

We are committed to supplying quality steel that meets international standards.

CUSTOMER FOCUS

We understand customer needs and deliver solutions that create lasting value.

RELIABILITY

Consistent products, consistent service, consistent trust.

GROWTH

We grow with our partners, powered by performance and innovation.

CUSTOM SIZES & PROJECT SUPPLY

We understand that every project is unique. Magna Business Group delivers custom cut-to-size solutions and end-to-end project supply services tailored to your exact specifications, timelines and quality requirements.

WHY CHOOSE OUR PROJECT SUPPLY

Custom Cut-to-Size Solutions	Project Based Planning	End-to-End Supply
Consistent Quality Assurance	On-Time Delivery Across India	Dedicated Technical Support

WHAT WE OFFER

	CUT-TO-SIZE SERVICES	Plasma, gas cutting, shearing, sawing and slitting as per your drawings and dimensions.
	CUSTOM SHAPES & FABRICATION	Profile cutting, beveling, drilling and fabricated components as per requirement.
	PROJECT MATERIAL PLANNING	Material planning, quantity optimization and just-in-time supply for smooth execution.
	BULK & REPEAT ORDER SUPPLY	Reliable bulk supply with consistent quality and inventory readiness.
	DOCUMENTATION & TEST CERTIFICATES	MTC, third-party inspection and all statutory documents as per project norms.

MATERIALS WE SUPPLY

- Carbon & Mild Steel Plates
- High Tensile / HSLA Plates
- Boiler Quality Plates
- Corten / Weather Resistant Steel
- Abrasion Resistant Steel
- Quenched & Tempered / High Strength Plates
- Structural Steel Products
- Alloy Steel Bars
- Stainless Steel Products
- Aluminium Products
- Galvanized Steel (GI) Products

CAPABILITIES

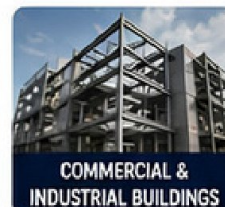

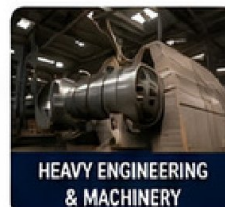

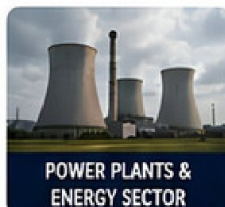

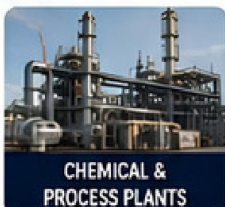

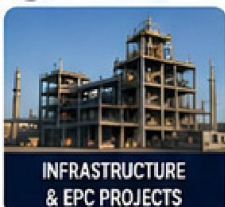

PLASMA & GAS CUTTING	SHEARING	SAW CUTTING
DRILLING	BEVELING	SLITTING

SIZE CAPABILITIES*

Plate Thickness	1.6 mm to 120 mm
Plate Width	Up to 3000 mm
Plate Length	Up to 12500 mm
Bar Diameter (Round)	8 mm to 300 mm
Square Bars	10 mm to 200 mm
Flat Bars	6 mm to 200 mm
Profiles / Sections	As per standard ranges or custom

* Capabilities vary by product type and material grade.

OUR PROJECT SUPPLY SERVES

INDUSTRIES WE SERVE

STEEL SUPPLYING STRENGTH TO INDIA'S GROWTH STORY

Our steel products are trusted across diverse industries where strength, reliability and performance are mission critical.

INFRASTRUCTURE & EPC PROJECTS

Supplying steel for bridges, highways, metro, airports and large scale infrastructure projects.

HEAVY ENGINEERING & MACHINERY

Enabling fabrication of heavy machinery, equipment and industrial structures.

POWER & ENERGY

Reliable steel supply for power plants, transmission structures and renewable energy projects.

OIL, GAS & PETROCHEMICAL

High performance steel for pipelines, refineries, storage tanks and offshore installations.

CHEMICAL & PROCESS INDUSTRIES

Corrosion resistant and speciality steels for chemical plants and process equipment.

AUTOMOTIVE & AUTO COMPONENTS

Precision steel for auto components, assemblies and manufacturing lines.

RAILWAYS & TRANSPORTATION

Supplying steel for railway infrastructure, coaches, wagons and transport systems.

GENERAL ENGINEERING & MANUFACTURING

Supporting a wide range of engineering and manufacturing applications.

CONSTRUCTION & INDUSTRIAL BUILDINGS

Structural steel for commercial complexes, warehouses and industrial buildings.

SHIPBUILDING & MARINE

Marine grade steel for shipbuilding, offshore structures and marine infrastructure.

OUR COMMITMENT TO EVERY INDUSTRY

RELIABLE QUALITY

Tested & certified steel that meets the highest industry standards.

ON-TIME DELIVERY

Timely supply and logistics you can count on.

TECHNICAL EXPERTISE

Industry knowledge and technical support at every step.

CUSTOMISED SOLUTIONS

Tailored steel solutions as per your specific project needs.

PAN-INDIA REACH

Strong supply network across India to serve you better.

BUILDING INDUSTRIES.
BUILDING INDIA.

From critical infrastructure to precision engineering, Magna Business Group delivers steel solutions that power progress and build a stronger India.

WHY CHOOSE MAGNA BUSINESS GROUP

STRENGTH YOU CAN RELY ON. PARTNERSHIP YOU CAN TRUST.

At Magna Business Group, we go beyond supplying steel. We deliver assurance, consistency and long-term value through our commitment to quality, service and integrity.

YOUR TRUSTED STEEL PARTNER ACROSS INDIA.

With deep industry expertise and a customer-first approach, we help businesses build stronger projects and achieve sustainable growth.

OUR CORE STRENGTHS

QUALITY ASSURANCE

We supply only tested and certified steel from reputed and approved sources.

OUR GOAL

To be the most trusted steel partner empowering India's infrastructure and industrial growth.

**COMMITTED TO STRENGTH.
DELIVERED WITH INTEGRITY.**

We combine quality steel, expert support and reliable service to empower your success at every stage of your project.

SOURCING, QUALITY & SUPPLY CAPABILITY

QUALITY STEEL. RELIABLE PROCESS. ON-TIME EVERY TIME.

At Magna Business Group, we follow a robust process to source, inspect and deliver steel products that meet the highest industry standards.

01 OUR SOURCING STRENGTH

Sourced from reputed & approved steel manufacturers across India.

Strong relationships ensuring priority allocation and consistent supply.

Wide range of grades, sizes and specifications available.

100% traceability with heat numbers and mill test certificates.

02 QUALITY ASSURANCE PROCESS

MILL TEST CERTIFICATES

All materials are supplied with original MTC from the mill.

INCOMING INSPECTION

Dimensional, visual & chemical checks as per standards.

LAB TESTING

Random sampling & testing to ensure grade, strength & durability.

QUALITY APPROVAL

Material is approved only after passing our stringent QC process.

READY FOR DISPATCH

Proper bundling, tagging & documentation before safe dispatch.

03 SUPPLY CAPABILITY

Large Inventory

Extensive stock of plates, pipes, tubes, bars, sheets, coils, sections & custom materials.

Quick Turnaround

Efficient processes ensure faster order processing and timely deliveries.

Pan-India Logistics

Reliable transport network for safe delivery across all major locations in India.

Bulk & Project Supply

Capability to handle bulk requirements and time-bound project schedules.

04 QUALITY STANDARDS WE FOLLOW

BIS Standards (IS)

Products conforming to relevant Indian Standards for quality and safety.

ASTM Standards

Wide range of products as per ASTM international standards.

EN Standards

Compliance with European Norms for selected products.

CUSTOMER SPECIFICATIONS

We also supply as per specific project requirements and approved drawings.

OUR COMMITMENT TO QUALITY

Consistent quality across every order

Zero compromise on standards

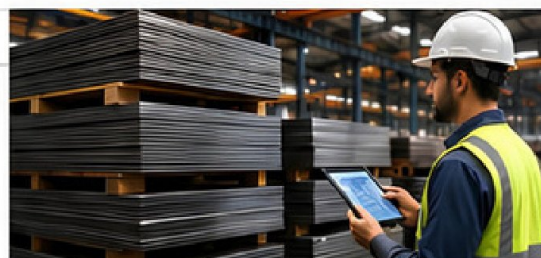

Skilled team & modern processes

Safe packaging & damage-free delivery

Continuous improvement for customer satisfaction

TESTED. TRUSTED. DELIVERED.
