OUR **PAN INDIA** PRESENCE

Serving process industries and industrial customers across India through a growing supply and service network.

ABOUT MAGNA BUSINESS GROUP

Magna Business Group is an integrated industrial supply network supporting Process Industries with a broad range of products and plant requirements.

We support customers across Sugar, Ethanol, Distillery, Food Processing and Dairy, along with other process and industrial manufacturing sectors.

Our capabilities span Mechanical, Electrical, Instrumentation, MRO, Safety and Project Supplies, enabling customers to consolidate multiple procurement requirements through a dependable industrial supply partner.

Our product portfolio includes MS & SS Pipes, Plates, Fittings, Flanges, Valves, Fasteners, Bearings, Pumps, Gearboxes, Electrical Products, Instrumentation, Welding Consumables, Safety Equipment and Industrial MRO Items.

Our approach is built around quality, specification compliance, sourcing efficiency, timely availability and dependable execution. Our objective is simple: to become a trusted, long-term industrial supply partner for our customers.

Message from **CEO & FOUNDER**

The Process Industry is continuously evolving, with increasing emphasis on reliability, efficiency, sustainability and uninterrupted plant operations.

At Magna Business Group, we are proud to contribute to this journey not merely as a supplier, but as an integrated industrial supply partner. Our capabilities bring together stainless steel, engineering and mechanical products, valves, instrumentation, electrical products, safety equipment and plant consumables under one sourcing platform. We support customers across Sugar, Ethanol, Distillery, Food Processing and Dairy, helping them address diverse maintenance, MRO, shutdown and project requirements.

Our objective is to deliver quality products, efficient sourcing, timely availability and dependable service, while building long-term relationships based on trust and performance.

SUNNY PRAKASH
Ceo & Founder

Message from **MANAGING DIRECTOR**

At Magna Business Group, our growth has been driven by a simple principle: understanding customer requirements and delivering reliable solutions with consistency.

As Process Industries become increasingly dependent on efficient maintenance, reliable sourcing and uninterrupted plant operations, our focus is to provide customers with a dependable multi-category industrial supply partner.

We continue to strengthen our capabilities across Mechanical, Electrical, Instrumentation, MRO, Safety and Project Supplies, while maintaining our commitment to quality, compliance and customer service.

Our vision is to become a trusted extension of our customers' procurement and plant-support ecosystem, building relationships that create long-term value for both our customers and our partners.
