Message from CEO & FOUNDER

At Magna Business Group, we are committed to redefining the institutional experience by providing innovative solutions and premium-quality products that enhance every space of the hotel. From luxury hotels and resorts to hospitals and educational institutions, our offerings combine functionality, durability and sustainability to create environments that inspire trust and excellence. With precision, passion and a relentless focus on quality, we partner with institutions to set new standards and work in comfort, safety and efficiency.

SUNNY PRAKASH

Message from MANAGING DIRECTOR

At Magna Business Group, we believe that true institutional excellence is built on attention to detail, innovation and unwavering commitment. Our mission is to empower hotels, hospitals and each other business to develop solutions that seamlessly blend aesthetics, functionality and sustainability. By anticipating industry needs and embracing advanced technologies, we help our partners create environments that enhance operations, ensure safety and leave a lasting positive impact on every individual they serve.

Ideal for construction, maintenance and fabrication work across industries.

ROTARY HAMMER DRILLS

High impact drilling for concrete, masonry and heavy duty applications.

ANGLE GRINDERS

Powerful grinding and cutting for metal, stone and other materials.

IMPACT DRILLS

Ideal for drilling in concrete, brick, wood and metal surfaces.

CIRCULAR SAWS

Accurate and efficient cutting for wood, metal and construction work.

DEMOLITION HAMMERS

Heavy duty chiselling and demolition for tough concrete and masonry.

CORDLESS DRILL DRIVERS

Portable, cordless and convenient for versatile drilling and fastening.

JIG SAWS

Smooth and precise cutting for wood, metal and plastic.

RECIPROCATING SAWS

Efficient cutting in tight spaces and demolition applications.

POLISHERS

High performance polishing for metal, stone, paint and finishing applications.

HEAT GUNS

Ideal for stripping, bending, drying, shrinking and other heat applications.

BLOWERS

Powerful air blowers for cleaning dust, debris and work areas.

ELECTRIC PLANERS

Smooth planing and finishing for wood and timber.

MIXERS

Heavy duty mixing for paint, mortar, adhesives and chemicals.

BENCH GRINDERS

Reliable grinding, sharpening and tool maintenance solutions.
